🪪 PROFILE

I am a dedicated software engineering undergraduate currently pursuing a BSc (Hons) in Computing and Information Systems at Sabaragamuwa University of Sri Lanka. I am actively seeking IT-related internship opportunities to apply my skills in a practical environment and further my development as an IT professional. My goal is to leverage my academic knowledge and passion for technology to contribute effectively to the industry and establish myself as a respected professional in the field.

🎓 EDUCATION

BSc (Hons) in Computing and Information Systems   2022 – present
Sabaragamuwa University of Sri Lanka

GCE Advance Level   2020

GCE Ordinary Level   2016

💼 PROFESSIONAL EXPERIENCE

Work as a trainer at Bank Of Ceylon   09/2021 – 02/2022
Conducted training sessions on banking procedures and customer service, improving staff skills and operational efficiency.
